SNOW SPORTS SPECIAL POWER OF ATTORNEY

I, the undersigned, appoint the adult bearer(s), as a representative of Troop 502, Boy Scouts of America, La Cañada Flintridge, California 91011, as my agent (attorney-in-fact) to act in my place for the purpose of enrolling my son _____ in the Snow Summit or the Bear Mountain Ski School, for renting winter sports equipment, for repairing winter sports equipment, and for purchasing tickets and lift passes. This authority includes the execution of all releases and hold-harmless agreements required in order to enroll him in school, rent equipment, have equipment repaired, and purchase tickets and lift passes. I understand that the execution of the forms required by the school will release the school, the equipment renters or repairers, and the operators of Snow Summit or Big Bear Mountain from all liability for any injuries which my son may incur while taking lessons, using equipment, and skiing or snowboarding. I expressly authorize my agent to sign my name or names to all documents where a signature is required by a parent or guardian. I give this Special Power of Attorney because I am unable to personally accompany my son on this ski trip but want him to be able to take lessons, rent equipment, have his equipment repairs, and participate in unsupervised skiing, snowboarding, and other snow sports activities.

I further grant to my attorney-in-fact full authority to take whatever actions he or she determines are reasonably necessary to exercise the foregoing powers.

This power of attorney shall be effective until revoked by a writing delivered to the Scoutmaster of Troop 502 unless an earlier expiration date is set forth below. A photocopy, electronic, or printed image of this power of attorney shall be as effective as the signed original.
