It takes slightly over 2 hours drive time (108 miles) from La Canada with light traffic conditions.

- Take the 210 Fwy East to the 10 Fwy, (see map below)
- Head East on Interstate 10 toward Redlands. (You will pass the 15 and 215 Fwy exits)
- About 5 1/2 miles past the 215 Fwy, exit onto the 30 Fwy North with sign saying "Highland/Running Springs to 330".
- Go about 4 miles north and exit onto Hwy 330 ("Mountain Resorts").
- Continue up the winding road (which turns into Hwy 18), following signs to Big Bear. (It is 28 miles to the Big Bear Lake Dam)
- When you reach the Dam, turn Right to "City of Big Bear Lake" (and drive across the dam). This is still Hwy 18, but is now called Big Bear Blvd.
- Continue 4 miles on Big Bear Blvd past Boulder Bay into the Big Bear Lake Village (shopping area) and turn Left at Pine Knot Ave. (stop sign).
- Go a few blocks and turn Right onto Big Bear Blvd & continue for 1.6 miles.
- Turn Right onto Moonridge Road (big street with a signal) & continue for 1.9 miles (while on Moonridge, be sure to bear left at the first fork, then right at the second fork to stay on Moonridge). See map detail at bottom of page.
- Turn Left onto Sand Canyon Road and go 0.7 miles to the Cabin. (Note: to stay on Sand Canyon, you must take the first three lefts even though you think that you should go straight). The Cabin is on the right just a few houses past the Teton Drive cross street.

Park on the driveway or across the street. Do not leave your car parked on the street if there is snow as it is prohibited & you may get a ticket. Get the snow shovel from the cabin underfloor area and clear out a parking spot across the street.
